POSTAGE: + (you will be charged the exact amount)	
TOTAL € (EUROS):	

If a product is out of stock, which is not often, we will charge and deliver only the available items, so please don't forget to re-order! We'll keep you informed on the date of availability of the missing items. If you want to know the exact amount of postage by registered priority or ordinary mail, don't hesitate to ask us: we'll send you an e-mail with the two costs.

Thank you for your valued order!
